Proceedings of the

29th Annual International Conference of the IEEE Engineering in Medicine and Biology Society

in conjunction with

the Biennial Conference of the French Society of Biological and Medical Engineering (SFGBM)

August 23-26, 2007

Convention Center, "Cité Internationale", Lyon, France

Editor's Notes

The 29th Annual International Conference of the IEEE Engineering in Medicine and Biology Society hosted an electronic paper submission process for the conference. It was the responsibility of the submitting Author to ensure that the document was viewable and without errors that would prevent the Conference from including the paper in the CD ROM or Print Proceedings.

In the event a paper was submitted that could not be viewed or printed properly, the Conference elected to only publish the abstract of the paper in the Proceedings.

All conference papers were peer reviewed by experts chosen by the theme chairs.
