

# Cultural Program and Sport activities in ALQUEZAR

*The best way to discover Alquézar and the Vero River*

★★★★★★★★★★

Alquézar, castle, collegiate church and medieval villa proudly above the Vero River canyon in wildly beautiful surroundings that form part of the Sierra de Guara Mountains and Canyons Natural Park and the Vero River Cultural Park.

Hiking routes, rock climbing, adventure sports and the mythical descent of the River Vero are all to be found in and around Alquézar.

★★★★★★★★★★

*\*VISIT TO ALQUEZAR*

*\*CASTLE - COLEGIATA*

*\* "RUTA DE LAS PASARELAS" WALKING*

*\*CAVE D.O SOMONTANO*

In "La Ruta de las pasarelas" we can walk on the last part of the Rio Vero, around the Alquezar medieval villa.

This place is a perfect mix of rock and water, where the effort of the man to use the force of the river to survive can be noticed.

This spectacular way is a very good first rapprochement to this natural spot of the Vero

Cultural Park.
